For the Advancement and Well-Being of the Community and District

VOL. XL No. 22 WAINWRIGHT, ALBERTA, WEDNESDAY, MARCH 31st, 1948 Price \$2.00 Per Year In Advance

Fashion Show Features "New Look"

Dainty pink and white apple blossoms formed the background for the Spring Fashion Show, sponsored by the N.C. Club and featuring styles from The Fashion Shop. Costume jewelry was supplied by Walker's Jewellery Store and furnishing and drapes by F. B. McLeod.

Miss Roma Taylor and Mrs. Nuss presented the audience for the first of fashion from former years by a sketch, "Put on Your Old Gray Bonnet." Mrs. J. L. Mitchell supplied the musical numbers.

Mrs. Ganderton very ably acted as commentator as the models appeared wearing the many different outfits suited to their different persons.

There were suits, coats, suit and coat ensembles, afternoon dresses, dinner and evening gowns, blouses and skirts all with the very new look, and of course, hats of a vast variety each beautiful in its own particular style.

Edgerton Pioneer Laid To Rest

One of the very early residents of the Edgerton district passed away in the Wainwright municipal hospital on Wednesday, March 26th, in the person of Mr. Frederick Vanstone, at the age of 71 years.

The deceased was born in Wingham, Ontario and came west to the Edgerton district in 1908 where, with his brother Richard, he farmed until selling out and moving to Wainwright to retire last fall. He had been in ill health for some time and passed away at stated above.

Left to mourn are one daughter Richard in Wainwright and a niece in Ontario as well as a wide circle of old friends and acquaintances among whom he had lived for many years.

The funeral was held Saturday, March 27th, from the United Church, Rev. M. Dobson officiating. McLeod funeral parlors were in charge of arrangements. Pallbearers for the deceased were Messrs. G. Trotter, Alf Challenger, T. Stanley, G. Tasson, W. Tharp and F. Cardine. There were a number of floral tributes of sympathy and esteem.

Howlett-Dixon Nuptials Of Interest Here

The Alliance Chapel was decorated with daffodils, tulips, carnations and ferns for the recent wedding of Betty Lou, eldest daughter of Mr. and Mrs. Colin A. Dixon, to Arnold Hazen, eldest son of Mr. and Mrs. J. B. Howlett all of Hythe, Alberta.

The Rev. N. Galbraith performed the ceremony while Mrs. Galbraith sang "The Wedding Prayer" during the signing of the register, and Miss Joy Reid played the wedding music.

The bride chose a brown gown accented with brown accessories and her carriage was of yellow tea roses.

Alleen, sister of the bride, as bridesmaid, chose a dark powder blue suit with navy accessories and pink tea rose corsage.

A reception for 26 guests was held at the bride's parents, where the wedding table was decorated with a tiered wedding cake flanked with tulips, spring flowers and white tapers.

After returning from a trip through the States to Vancouver, Mr. and Mrs. Howlett will make their home in Hythe, Alberta.

Cold No Hardship In Winter Training

The Canadian Army, in numerous post-war winter exercises, has laid low the belief that troops operating in the field in the dead of winter are "up against it," according to an army report Monday.

The unofficial word, following study of reports, of several cold-weather trials conducted during the past months, is that troops, properly dressed and well fed, are not hindered in their training by sub-zero temperatures.

As casually as they took to the hot fever-ridden Mediterranean climate in the Second Great War, Canadian soldiers have adapted themselves to a more rugged one near home—that of an Arctic winter.

A report on reserve force soldiers who trained recently in the snow-covered bush country of Wainwright park reveals that soldiers sustained more soldier-like "loss" in cold than did frostbite in the coldest months of the past winter.

Varieties of Wheat and How They Were Sown in 1947

Mr. and Mrs. Fyfe Feted at Farewell Party

Friends and neighbors gathered at the home of Mr. and Mrs. D. Fyfe on Tuesday night, March 26th, in honor of this popular couple, who are planning to leave in the near future to make their home at Irma.

A very enjoyable evening was spent just visiting.

Lunch was then served by the hostess, after which a party gift was presented to the guests of honor, Rev. R. Kelly, who gave a very appropriate little speech to wish Mr. Fyfe a safe journey.

Mr. and Mrs. Fyfe to say the least were very much surprised and warmly appreciated the lovely gift and kind gesture.

Surprise Party For Local Lady

On Sunday evening last a group of friends called on Mrs. Hazel Parkhurst for a surprise party in honor of her birthday.

A social evening was enjoyed followed by a sing-song with Mrs. M. Taylor and Mrs. B. Reynolds at the piano.

After a delicious lunch served by the ladies Mrs. Mary Ganderton presented the guest of honor with a damask table cloth and napkins, and expressed the wish of the gathering for the happy birthday for Mrs. Parkhurst to which she graciously replied.

Lloydminster Bull Sale Date Set

The 1948 Lloydminster Bull Sale will be held on May 26th.

20 years ago the first annual Lloydminster Bull Sale was held. During the intervening years, this sale has contributed much to the improvement of Beef Cattle in northern Saskatchewan and Alberta. In 1947 the animals purchased by the Dominion Department of Agriculture, were distributed throughout B.C., Alberta, Saskatchewan, Manitoba and Ontario.

The sale is sponsored by the Lloydminster Exhibition Association. Entries close Saturday, April 17th. For entry forms or information apply to Geo. K. Ross, Exhibition Manager, Lloydminster.

"I see you advertised your axe-handle for sale," said the friend.

"Yes," he agreed, "I saw my neighbor in the hardware store yesterday buying a gun."

Pope Sees World At Crossroads

VATICAN CITY—Pope Pius XII says Italy and the world are at the crossroads in the contest with Communism.

"The great hour of Christian conscience has sounded," proclaimed the head of the Roman Catholic Church in a noonday Easter blessing Sunday.

The white-clad pontiff spoke from a balcony of St. Peter's the world's largest church. Some 400,000 people equal to a fourth of Rome's population—heard him from the sunlit square below.

His talk came little more than three weeks before Italy's April 18 election test between Communism and its foes. His listeners, mostly Italian, outnumbered any political gathering to date.

He did not mention Communism by name. But he heard plainly called the meaning of his references to "demons of that which is most sacred" and "aggressors who make the negation of Christ the cornerstone of their work."

He reminded his audience of the "terrible verdict" of Jesus Christ: "Who is not with Me is against Me."

Three light planes roared low over the crowd dropping thousands of handbills. Most of the bills bore the one letter "V"—understood variously to mean vita (life), victory and vote.

Some carried a likeness of Giuseppe Garibaldi, Italian patriot, which, turned upside down, became a glaring Stalin. The Communist-dominated Popular Front has taken Garibaldi's picture for its emblem.

Card Of Thanks

I wish to extend my sincere thanks and appreciation to the Doctors of the Clinic, the Nurses and the Hospital Staff and also my many friends for their acts of kindness during my recent illness in the hospital.

MRS. KEN CHALLENGER
Edgerton

Blood Donors ... Urgently Needed

If YOU are between the ages of 18 and 65, enjoying normal health, YOU can be a voluntary blood donor.

There is no pain or discomfort experienced in giving blood and it only takes a few minutes of your time. Diet is no longer necessary.

You will only be asked to donate blood twice a year.

ENROLL NOW

CONTACT: MRS. CONROY, Phone 54 or MRS. GRAHAM, Phone 43

Clinic will be in Wainwright April 6 from 4:00 p.m. until 8:00 p.m.

Cash vs Credit Debated at Co-op Annual Meeting

Approximately 40 persons were in attendance on Wednesday afternoon last, when the Wainwright and District Co-operative Association Ltd. held their annual meeting in the L.O.O.F. Hall in Wainwright.

President T. Lismore was in the chair and Secretary J. Perkins recorded the minutes of the meeting.

President Lismore gave a short address of welcome to those present and he opened the meeting. Following the reading and adoption of the minutes for the annual meeting of 1946, the president gave a report from the directors. He outlined the progress that had taken place during the year, stating that the dollar value of stocks in the store was higher today than ever before in the three year history of the Co-Op. He fully explained the actions of the directors in the matter of establishing a frozen food locker plant in conjunction with the store.

As Mr. Lismore pointed out, there had not been enough capital raised in the campaign last year, and rather than place the organization on an unbalanced financial footing it was decided by the directors to cancel any plans that they might have in connection. Mr. Lismore explained fully to those present, why patronage dividends had not been paid on the three year operation. Only by placing these dividends in reserve he said, could the Co-Op have expanded to the size that it is today.

The Auditor's report was read by the secretary and after a few questions and discussion, was adopted.

The chairman then called upon the guest speaker for the afternoon, Mr. A.M. Peart, deputy supervisor of Co-operative activities for Alberta with the Department of Trade and Industry for the Provincial Government.

Mr. Peart offered his congratulations on the splendid progress that had been made by the members of the local Co-Op in the last three years, and he wished on his part, to look over the financial statement.

The share capital had not kept pace with the actual growth of the store. He compared the standing of the Wainwright Co-Op with others in the province, but urged the bettering of the share capital position among the members. Mr. Peart explained the life insurance scheme underlying the Co-Op principle of doing business, but advised that the subject was not in operation yet in Alberta.

Mr. E. MacGregor was called upon, to give a financial managers report for the year. He explained that the past year, while it has been a satisfactory one financially, there had been many problems that had come up and had taken a good deal of time to iron out. This he laid blame mostly to the lack of working capital. Mr. MacGregor emphasized most emphatically that the share capital had to be increased.

The topic of conversation that was next produced was the deciding of the principle of operating the store on a strictly cash basis. The pros and cons were completely aired and the general consensus of opinion was that by operating on a strictly cash basis it would be of more benefit to the members. A motion was made to this effect instructing the directors to take the necessary action, but due to the small number of members present it was thought best to withhold any decision until such time as a special meeting could be held and a

Grade 8 Co-workers Hold St. Patrick's Party

The Grade Eight Co-Workers Club held a St. Patrick's Day party in the grade eight classroom on Friday, March 19.

The table was decorated with lovely green and white streamers with matching candles. The room also had suitable green and white streamers and decorative shamrocks.

Fourteen of the Irma grade eight and nine pupils as guests, arrived at about eight o'clock and the party got underway with a sing-song led by Ruth May and Joanne Harding, following the singing a lot of folk-dancing was put into practice and enjoyed by all.

James Ely and Colin Carter led in some games as follows: "Who Am I?", "Musical Arms", Winners—Miss Evans, Emma, and Doreen Hookett, Irma, "Bean Race", Winners—Jean Larson, Irma; Andy Burns, Wainwright, Quis.

After this everybody joined in some dancing—Bingo dance, Tag dance, Elimination dance. Winners—Red Prickleton, Irma Norma Ouldrine, Irma, "Wheel Competition", winners—Jean Larson, Irma; Glen Colford, Wainwright, Spot Dance.

A very delicious lunch was served by the appointed committee after which further dancing was enjoyed.

The party was closed by Colin Carter who thanked members of the Irma school for coming, answered by Elvira Bonnet who thanked the Co-Workers Club for a lovely party.

—Con.

Why Put Off Improving Your Farm and Home

With improved farm equipment coming on the market, Canadian farmers look forward to fewer chores and higher profits. Their wives, too, hope for new labour-saving devices in the home. But many talk back the necessary cash to buy their share of these modern improvements.

Mr. Smith, local Bank of Montreal manager, was describing yesterday the way thousands of farmers overcome this problem every year.

"Those who know more about business to increase present efficiency and comfort, as well as future profits, with a B. of M. Farm Improvement Loan," Mr. Smith explained.

"With an interest rate of only five per cent, no other charges, and easy repayment terms, these loans make possible a convenient, inexpensive investment in increased production and easier living."

Whether it's for a tractor or a washing machine, a new building or road repairs, Mr. Smith invites farmers to see him now about the farm and home improvements they want most.

—ADVT.

Canada Number Two Supplier for Britain

Canada was second most important source of supply for Great Britain during the past year, contributing 12.9 per cent of her total imports, compared with 15.1 per cent in 1946. Canada's exports to the United Kingdom amounted to \$921.2 millions or \$135.2 million more than five times as much as we bought from that country. But British sales to Canada were 32.8 per cent higher than in 1946.

The United States ranked first on the list of British's suppliers, and contributed 36.5 per cent of that country's total requirements last year. Britain imported 7.3 per cent of the total from Argentina, placing that country third among United Kingdom suppliers.

A TRANS-CANADA HIGHWAY

The other day we received at our desk a letter that read: Dear Sir: How the h— can you possibly read, let alone publish all the circulars and propaganda you receive in the mail these days? The answer is, we don't.

The letter was from Mr. E. T. Love, secretary of the Trans-Canada Highway Association (Yellowhead Route) and what Mr. Love was asking for was a commentary on the recent publication of that association, "Saga of The Re-opening of the Trans-Canada Highway" (Yellowhead Route). This booklet which was beautifully done, told a story in picture form of the highway system which is proposed by this organization from Winnipeg West.

There are three alternate routes at present and neither one of them is anywhere on par with what they should be. One, and the most common, is the Crowneast route which is not altogether all Canadian, as a detour through the State of Washington is necessary. This road is none too good at the present time, and the Editor speaks from personal experience. Another route is the Big Bend route through Calgary and Banff. This route is not an all year route, as travel is restricted in the winter. Lying north of that is the proposed Yellowhead route, using the Yellowhead Pass, hence the name.

The Yellowhead route is proposed to leave Winnipeg travelling through the finest parkland on the prairies to Saskatoon. From Saskatoon to Edmonton, and from Edmonton to Jasper, Blue River and Vancouver. This route lies close to numerous parks and interesting sights and should be welcomed by the tourist.

Aside from tourist attractions the Yellowhead Pass is the lowest one of these in use today through the Rockies. This alone would mean a great deal less money being involved in the actual construction of a hard surface all-Canada route, which is the question under consideration.

One other point which the booklet brings to light is the lack in Canada of a Dominion-wide highway commission, as that which operates in the United States. This alone is a real reason why Canada's roads are not first class, at least in these parts. In the past each Provincial Government has struggled along as best it could to maintain some sort of a road standard. With a duly authorized Highway Commission this would all be co-ordinated under one body and no doubt would eliminate much of the waste which the taxpayers money is used for every year.

We liked the book and we also are in favor of the Trans Canada Highway. If the Yellowhead route should be the one chosen, if and when a decision is made, it will mean a great deal to this part of Alberta.

Our good wishes are extended to those directly responsible for bringing this matter to light. Good luck, and through your efforts we hope that Northern Alberta will have a road that will be a pleasure to travel on.

FUNDS ARE STILL NEEDED

By this time most everyone has been brought up to date on the subject of Peace Memorial Centre, and it is only common knowledge that more money will have to be raised before a start can be made on this project this coming year. There is not one person who would not like to see construction commence as soon as the frost is up from the ground, on the other hand, before any such move can be made, approximately \$5,000 will have to be raised.

There is only one place that this money can come from, and that is from general donations toward the general fund. Some criticism might be levied at the Town Fathers for the lack of action on their part in not appropriating more money towards the fund from the surplus monies on hand in the bank. It must be pointed out here and now, that they are powerless to do so. According to the Town and Village Act, which governs everything the town does or does not do, under Section 205, Part I, a town can not spend any more than \$500.00 in any one year without obtaining the approval of the ratepayers first. This is in connection with such items as community halls and skating rinks, and is clearly set out as thus.

If the question were put to the ratepayers again in the form of a money bylaw, and their permission were approved, as well as the authorities of the Provincial Government, that would be a different matter. Until such time that the actions of the people warrant such a move we would not advise same.

To put the matter bluntly and straightforwardly, the additional money has to come from the same source as the other donations came from, and that is through private donations and subscriptions. In all probability the P.M.C. Committee are planning a fund raising campaign in the very near future. Only in this way will it be possible to start building. If they do, and you should be asked for a donation, please remember how badly needed this war memorial is. Some criticism is voiced at not using the money already on hand to make a start on the actual construction. Here again is something which would be contrary to the Town and Village Act, which states that the actual amount of money needed has to be on hand before a contract is let.

No, there is no other way out. More money is needed from all of us and the sooner everybody realizes this one important factor, the sooner the P.M.C. will be transferred from the paper stage to the building that we all dream and hope for. Not until then will anything conclusive be brought about.

by ottawa observer

The most obvious note in Ottawa is the quick and deep reaction to Russian and communist aggression in Europe. Last week the Progressive Conservative leader stated that a debate be held on external affairs and intimated that the government had been reluctant to permit it. The Prime Minister reminded him that the Progressive Conservative and C.C.F. parties had both denounced the government for its action in exposing the subversive and spy activities of agents of the Russian government and some Canadian communists.

In at least two legislatures, Ontario and Saskatchewan, C.C.F. members have been accused of being communists. Mr. Coldwell, C.C.F. leader in the House of Commons admitted in reply to a question from Walter Tucker, M.P., that he was not sure that there was not a minority of communists in the socialist party (page 2314 Hansard, March 17). Mr. Coldwell suggested that there might be some members on the government side who were elected with communist support which, of course, is quite a different thing.

Mr. Low, the Social Credit leader, quoted W. Irvine, C.C.F. member for Carleton who said in an address at Edmonton, June 26, 1945 (just after he was elected as a C.C.F. member of parliament): "We (the C.C.F. party) should have made it clear to Canadians that Russia, a socialist country, is our type".

After much questioning by Walter Tucker, M.P., Mr. Coldwell, C.C.F. leader, admitted (page 2314 Hansard) that the Labour Government of Great Britain had said the communist capture of Czechoslovakia by force would not have been possible "without support from a minority within the camp of democratic socialism".

Reaction across Canada

A perusal of daily newspapers all across Canada shows that the reaction of the day-to-day of democratic aggression in the nation's capital is a true reflection of the feeling of the Canadian people.

Don Cameron of the Windsor Star is writing a series of articles, which is being printed in many dailies, giving his findings in weeks of search for the truth of communist activities and subversives in Canada. The facts are startling to those who love freedom and peace and how why the communist leader Tim Buck said in his organ "National Affair".

"We elect a C.C.F. government in Ottawa and it is quite obvious that the whole perspective for Canada will be changed. Certainly then our road ahead will be through the social democratic regime."

Phillip admits he was wrong. Even the pompous pro-Russian columnist Phillip who writes and talks on the radio as the 'he' who is the voice of the oracle admits that he has been wrong.

"But that does not conceal the fact that those of us were wrong who thought that democrats, socialists and communists could as yet work trustfully in team harness" (Vancouver Sun, March 6).

His conversation, however, is short lived—he goes on to say that unless Canada accepts his definition of "Civil Liberties" (presumably for communists) we "cannot complain of a communist coup in Czechoslovakia". L.M.F.C.

One of the reasons for a large measure of labor-management co-operation and labor peace in Canada is the spread of "Labor-Management Production-Committees". "It is the best thing that ever happened to this talk on the comment of C. A. Michals of the Great Lakes Paper Co., concerning their L.M.P.C. The reason for this enthusiasm is not hard to understand when the list of improvements in working conditions, efficiency and production achieved with the help of the committee during 1947 is seen. Much credit for this progress must go to genuine labor leaders in Canada, the rank and file of labor and labour minister Mitchell.

WHITE CLOUD

Mr. Andrew Blawie and Mr. Ken Teeter visited with Ronny and Lester Babb Sunday last.

Everyone says "Well Spring is just around the corner" but which corner they talk, this snow and cold is really getting tiresome.

We see Mr. A.M. Rasmussen back in the country attending to his farm land down Flata way. He is looking very well indeed.

We are glad to see Mr. and Mrs. J. McCremon home again after a nice long visit with relatives in the East.

Do You Remember?

Taken From The Star Files

TWENTY YEARS AGO

April 4, 1928

Miss Claudine E. Forster and Mr. Harold Brunner, two of the town's most popular young people, were united in Holy Matrimony last Wednesday afternoon. The young couple plan to take up residence on Fourth Avenue, in the home at present occupied by Mr. and Mrs. Fieldhouse.

Mr. F. Harrington, manager of the local creamery, has recently been transferred to Vermilion. Mr. Harrington has been a resident of the town for the past fifteen years.

Mr. H. C. Backe has arrived from Edmonton to clerk in the Washburn Hardware. Jimmy Braegardle recently filled this position.

FIFTEEN YEARS AGO

April 5, 1933

On Tuesday evening last a number of local women gathered in the Wainwright Hotel to discuss the organization of a L.O.D.E. Chapter. Mrs. Knechtel of Edmonton, National and

Joe Rutledge Says

THE RULE OF MINORITIES

By Joseph Rutledge

We Canadians have never really accepted communism as a threat that could seriously affect our lives. We are so comfortably confident in our democratic beliefs, so assured that a majority is the one saving force. We were surprised when it was proved that certain individuals had been playing fast and loose with accepted loyalties. It seemed to us a branch of hospitalism of good sense, and we were satisfied when some of the offenders were jailed for their activities. We saw these things as incidents, not as symptoms. There were no communists among our friends and the leftish-minded among them were indeed, as we would judge other small peculiarities. We never doubted that the great bulk of our people were sensible and serious minded. That in itself was ample protection. Sure in our democratic faith, we never doubted that the majority will always be sound.

All that does credit to our heart, if not to our intelligence. If we were conversant with contemporary history we would realize that Marxian doctrines don't wait for majorities. That is a trick of democracy. Communism plans to make minorities of us. Nowhere in the world is communism a majority cause. It is not so in Russia where it represents perhaps the thinning of 5% of a docile people. It was not the majority thinking of Hungary or Roumania, or Poland or Yugoslavia. In Czechoslovakia communists control 35% of the parliamentary seats. Years ago Edward Beane spoke for his people and democracy and lost to Hitler's demands. Only a short while ago he spoke for them again, this time as president. Democracy, he said is "the only reliable and durable basis for a decent and dignified life." Two days later he had to bow to the will of the communist minority, backed by the power of Moscow. In Finland communism had to team up with the Socialist Unionists to secure a bare 51 per cent of parliamentary votes. Too dangerous a union, we would expect, to cause any trouble. But the tactics are the same. Elsewhere they have given minorities the necessary advantage. If these tactics succeed again, as few doubt that they will, Stalin can reconquer a quarter of the area of Europe added to his boundaries, and a quarter of its people subject to his command. Where is the next move? Where are the communist minorities ready to move? When will even we realize that the time to meet a threat is while it is still weak?

One Second from Eternity

This letter, which first appeared anonymously in an Omaha paper and attracted wide attention, is revealed to be the work of Chester Baltz, 38, of Council Bluffs, Ia., who was fireman aboard a speeding Union Pacific train that came close to striking an automobile at a crossing. "I don't know who you are, it's true, but I do know you were scared to death Sunday evening about 9 o'clock when you drove your car across the tracks directly in front of a speeding passenger train. It was so close that I, in the cab, could see the young girl (your sweetheart, I presume) throw her hands up in front of her face and cringe up against you in stark horror. If I were that young girl I'd pull away from you, fast. You didn't show good sense, son. You probably say you love her. I wonder. Those we love we try to protect. But not you."

"Wouldn't that have been a nice present to hand her mother—a broken and battered body? And how do you think that in the cab of that engine would feel? We are human beings, too. We have young ones waiting home for us to return. We, too, could have been killed."

"You and your girl were one second from eternity Sunday, son. I hope you read this and know it, means you, and that the girl will, too. Next time you go driving around, stop and look. We don't want to hit you, but we are helpless, as we cannot avert away from our given rail."

"If I were you, son, and you, too, I'd thank God for that split second He granted you Sunday evening. I said a prayer for all when I realized you were going across. Perhaps that's what saved us all."

"Now think it over both of you. And I'll bet you are both still shivering in your shoes. And please, for heaven's sake, don't try it again."

"Stop, look, and listen."

No Rats in Alberta—Yet!

If a graph or map were drawn illustrating the areas in North America in which the scourge of rats is well established, a surprising and alarming fact would be portrayed. Almost every other section of the country is afflicted with the verminous pest of the rat. But this is no cause for complacency, because they are approaching our borders.

And what does this influx of rats also indicate? In the problem of insect borne diseases, the rat is an unpleasant and dangerous factor, for he is often the carrier of infected fleas. If these casual visitors were to gain a foothold in Alberta, our plague problem would become greatly complicated.

But considerable attention has been devoted to devising ways and means of preventing such an invasion. The Division of Entomology of the Provincial Department of Health is vitally concerned with the prevention and control of all insect-borne diseases. Its work is painstaking and detailed and is a tangible example of the fact that where the safeguarding of human life is involved, patience is a highly expendable element.

With proper co-operation from the citizens of the Province, it is possible and even likely that Mr. and Mrs. Rat, as well as their family, will find a very discouraging welcome in Alberta, enough to persuade them that this is one venture in immigration not to be undertaken.

Men Prefer Blue

Surveys by color specialists indicate that blue is the color most preferred by men and that a room painted in blue or trimmed with blue is likely to be considered attractive by men. Women apparently have a tendency to give top preference in color to a pastel rose tint and are most likely to choose such a color when picking out a paint tint for their home.

The specialists reached their conclusions after exhaustive research. Actually, of course, their tests did little more than make scientifically official the old tradition which has decreed that baby boys take a blue setting, while baby girls draw pink.

Human Interest Stories

By Douglas W. Smith
Public Relations Officer,
Canadian Legion, 1938

Joe was never designated by nature to be a fighting boy. He was short, pale with watery looking eyes that blinked nervously behind shell-rimmed glasses. Joe didn't even have a fighting heart, but he did know that he wanted to do something to help out his country.

The medical officer, at the recruiting station took one look at Joe when he peered off, shook his head and said, "Sorry son, but you'll never make a soldier."

Somehow or other, Joe passed his physical for ground crew, and again one of the mysteries of the service is how he ever managed to wangle his way overseas. But he did.

For three years Joe watched over the flying birds that came under his care. Never a night passed when the planes were winging their way over enemy country did Joe sleep a wink until his charges were safely back in their camouflaged hideouts. Many did not return. Joe worried and worked all the harder to see that the planes were in tip-top shape.

His diligence did not go unnoticed and he was wearing the three hooks and a crown of a flight-sergeant, when dizzy spells and violent nose bleedings came all too frequently. Joe carried on and did not report his condition to the medical officer for fear he would be returned to Canada. However, overwork and strained conditions took their toll. He was weak and peaked face told a story of it, and they gave him a medical check-up. He was returned to Canada, given another going over, then discharged as medically unfit.

Less than a month after his discharge Joe collapsed and died from a cerebral hemorrhage.

Left behind to fight life's battles were his widow and two small children. The widow was also in poor health and with her children unable to obtain steady work. She applied for a pension and received a negative reply. Her husband's documents showed no record of complaining of this illness and his death could not be attributed to his service with the armed forces.

Destitute, she came in despair to the Legion. The machinery of the service bureau got cracking immediately. They wrote Joe's pals who had been mess mates with him overseas. Fortunately he had confided to a few intimates of his headaches and nose bleedings. Signed attestations were secured from these men and the case was reopened by the Legion before the Pension Commission.

The result: a full hundred per cent pension for the widow for life.

Great statesmanship is not made up of deep thinking but of deep caring.

In the Legislature

The Debate on the Budget has concluded and the House has spent considerable time on the Committee as a whole, considering the budget estimates and bills presently before it. A number of resolutions have been introduced, including one moved by Mr. Ward of the Navy, and seconded by Mr. Taylor of Drumheller, requesting that the present basic \$75.00 per month for total disability pensions be increased to \$100.00 basic for veterans suffering 100% disability. The Dominion Government is proposing to increase the basic to \$87.00 per month. It was argued that disabled men are earning more than this and that this was not \$25 pay for veterans who have rendered more service as that given by our disabled veterans.

Dr. W. W. Cross gave the House much information regarding his Department. He told the Assembly that Alberta has 7.3 hospital beds per thousand patients, and that 7.5 is supposed to be the maximum number required. Hospital grants were increased last year from 45 cents to 70 cents a day; free maternity hospitalization last year cost \$700,000.00; nearly twice as many patients were examined and treated for cancer as in any previous year. New buildings at the Red Deer Mental Institution will accommodate 150 patients, and more construction is anticipated this year at Ponoka and Oliver. There were 124,000 people checked last year for tuberculosis, and 742 patients were treated. The number of new cancer discovered was 17% less than in 1944, which shows that this disease is on the decrease. A new sanatorium will be built this year in Edmonton; the free blood transfusion service, started in the summer of 1947, made possible by the Department of Health, the Red Cross and the citizens who donate blood, proved very successful. Six thousand patients were given blood transfusions in six months. It will necessitate 3,000 volunteer donors a month to keep up the necessary blood pool. A Bill, known as The Blue Cross Bill, has been introduced; it will not interfere with the hospitalization services provided by the municipal hospitals, but will give citizens living in areas not organized an opportunity to enter into the prepaid scheme. At the same time, it will give an opportunity for anyone else to enter into the prepaid scheme, which aims to give hospitalization anywhere in the world.

Changes in the Vehicles and Highway Traffic Act now read: "The vehicle, other than one used by a fireman, a policeman, or as an ambulance can carry red lights or flashing lights other than clearance or signalling lights". It established a speed limit of 35 miles an hour, and 40 miles an hour when lights are used. Speed limits will be set in designated, highway areas under construction, repair, and signs will be erected indicating the speed there. Any motor vehicle commencing to pass another vehicle must keep to the extreme right side of the travelled road; and although cyclists and motorcyclists or horsemen may ride two abreast, upon being overtaken they are required to travel in single file as near to the right side of the highway as conditions permit.

McCafferty & Browning

Mr. and Mrs. Mahoney of McCafferty had visits this week from Mr. and Mrs. Arthur Smith and Mr. and Mrs. F. J. McLeod with their families, both families from Wainwright.

Mrs. Harry Rice was a visitor to Edmonton to her son, Bryan and his wife, also a granddaughter.

People from this district attended the Annual General meeting of the Edmonton Co-op on Thursday, and a Wainwright man, F. J. McLeod, is to be the new manager.

PELICAN

Mr. and Mrs. Billie Holland returned from the coast where they spent the winter. It might have been hard to leave the springtime out there and come back to our mid-winter weather.

Mrs. Sam Greishok is visiting for a few days with Mrs. Bengtson in Wainwright.

We hear that Mrs. Otis Ronning (nee Annie Haugen) now of Paradise Valley, is quite sick. She spent a few days in Lloydminster hospital. Mr. and Mrs. Mike Belk and Paul Belk have also been quite sick with flu and a tad cough.

Mr. Alf Clarke was able to beat the weather man by a few hours and got his cattle into town. But obliged to come home with the team and sleigh as the roads were filling in so quickly that he was unable to keep going with the car.

DOCTOR WARREN AGAINST DISCRIMINATE USE OF VITAMIN PILLS

No one should attempt to diagnose and treat his own troubles by taking vitamin pills—such pills should be used only when prescribed by a doctor. Both the advice and the warning were given by Dr. E. H. Benesley in an article—"The Truth About Vitamin Pills"—in the current January-February issue of the Health League of Canada. Dr. Benesley is Director of the Department of Metabolism and Toxicology at the Montreal General Hospital.

"In view of the widespread indiscriminate use of vitamin pills, it is fortunate that there has been no evidence to date that harmful effects are produced by vitamins in the doses ordinarily taken," Dr. Benesley writes. "It is true that vitamins can act as poisons if they are taken in amounts far in excess of those recommended for either the prevention or correction of deficiency diseases."

He adds that although harm may not be caused directly by the indiscriminate use of vitamin pills, this practice, like all forms of self-medication, may be indirectly harmful in that it gives the individual a false sense of security and leads to delay in seeking medical advice.

Dr. Benesley says that there is no evidence that health is improved by giving extra vitamins to a person who is not suffering from a specific vitamin deficiency disease. Vitamin pills alone cannot correct dietary deficiencies. Pills may help but chief reliance must be placed on a balanced diet.

He adds, however, that condemnation of vitamin pills as being of little or no value would be absurd. Vitamin pills or similar forms of concentrated preparations of vitamins, he states, are of value under two sets of circumstances. They may be used, but only when prescribed by a physician—first to prevent the development of diseases due to deficiency of vitamins in the diet, and second, to treat diseases due to vitamin deficiencies.

Spring and Painting Go Hand in Hand

With folks on all sides remarking hopefully that "Spring is just around the corner", this looks like an excellent time for those housewives who have already done so to start looking over the house to see just what needs to be done in the way of Spring cleaning and redecorating.

The routine chores of window cleaning, wall washing, furniture waxing and general interior clean-up can be taken for granted. Beyond that, however, is the inevitable fact that the wear and tear of winter in the home has brought about conditions which should be remedied for purposes of property protection as well as to give the interior of the home that "new look" which will match the work of Nature and the annual clean up campaigns outdoors.

Things like that are best done early in the year. That's why the suggestion is made that the housewife start now on a tour of inspection, check-list in hand, to determine just what she wants done in the near future to protect and beautify her home.

Everyone has her own way of going at these things, but it is an excellent idea to start with the basement. Every basement, probably, can do with a tidying up, but most are asking for more than that. A tour of inspection is likely to show that metal work is corroded and crying for paint, the worn cement floor needs sealing to make it look better and to eliminate dust. Dimly-lighted cellar stairs might well be made more safe by the use of light paint.

In the kitchen, sanitation as well as appearance demands that all worn spots and edges, especially around handles and knobs of doors and drawers, be touched up with paint or enamel. Kitchen floors which always get hard wear, may be in need of re-finishing in spots.

Living and dining rooms, halls and foyers are the show places of the home—reflecting to every visitor either good or bad housekeeping.

Walkers Jewelry

Nothing can dampen springtime spirit more than grimy, dingy walls and floors. Yet they can be transformed cheaply and quickly with a paint brush. Light time—in either standard oil paints or the new one-coat water paints—reflect more light and make rooms infinitely more cheerful.

Hard-working, busy households rival kitchens when it comes to taking it on the chin. Stains and continued dampness take their toll, and in most homes annual re-finishing is practically a necessity to protect walls and woodwork and to maintain an air of cheerful sanitation.

Children's rooms should come in for springtime re-finishing also. Little hands are often dirty hands and they can do all sorts of things to woodwork and furniture—but fortunately, the damage is only surface-deep and can be eliminated by soap and water, paint and a little work. Other bedrooms usually get less wear, but there too re-finishing in light, pleasing tints can contribute greatly to the health, comfort and cheerfulness of the family and its guests.

ASCOT

Mr. Clifford Gullekson arrived by Thursday evening to spend the Easter vacation away from his studies at University with his parents.

A very interesting demonstration was held at the Gullekson home by the Wear-River Aluminum representative Mr. D. Reid. There were six couples to enjoy a very delicious supper prepared and served by Mr. and Mrs. Reid.

We are sorry to report that Mr. Bob Haywood is still in hospital. Miss Lois Danks left Thursday to spend the Easter holidays with her parents near Hardisty.

WAINWRIGHT ALBERTA

MR. FARMER, IT'S UP TO YOU NOW!!

This is Your Opportunity
To Help Yourself!!

Legislation is before Parliament at Ottawa to extend government monopoly of wheat marketing to include oats and barley. If enacted YOU WILL BE COMPELLED TO SELL YOUR OATS AND BARLEY AS WELL AS YOUR WHEAT TO THE CANADIAN WHEAT BOARD.

However, to make this monopoly effective, it may be necessary that each provincial legislature pass a law permitting this government monopoly.

So is this your opportunity to protest against the extension of the monopoly. You were not given an opportunity to protest against the wheat monopoly. But YOU CAN AND SHOULD make protest now. Those who favour the monopoly are working tooth and nail to get control over your grain. You must fight against them with all your might.

IF YOU DON'T PROTEST NOW, and your neighbors, of like mind, don't protest now, you may have only yourself to blame. Provincial Legislatures may fall in line with Parliament and all those dependent upon grain growing for a living will be absolutely in the power of political pressure groups and so-called "farm leaders".

The Winnipeg Grain Exchange has endeavored to show wheat growers what monopoly has cost them. Controlling prices for wheat was a war measure. Nobody grumbled about that. But the monopoly was extended to peace time without even asking the consent of wheat growers, who, as a result, have lost hundreds of millions of dollars. They should demand the repeal of it being paid by ALL THE TAX-PAYERS.

If the Government monopoly is extended to oats and barley another line will be forged in the grain grower's Chain of Bondage.

YOU SHOULD LOOK AHEAD

It is the future, not the past, that is now most important to farmers. Think of the dangers that threaten you. No man, and no group of men, is WISE enough or GOOD enough TO BE TRUSTED WITH UNRESTRICTED POWER.

"All power tends to corrupt... absolute power corrupts absolutely".

Your wheat is now marketed at POLITICAL PRICES and for POLITICAL PURPOSES. Oats and barley are subject to even more political pressure; and since VOTING POWER RESTS WITH CONSUMERS, there will be a constant political battle between producers and consumers... and PRODUCERS WILL BE THE LOSERS.

The Grain Exchange has done, and is doing all that it can to uphold the farmer's Freedom of Choice in selling his grain. Let those farmers who wish to sell through the Wheat Board do so; but demand the Right to sell your grain when, where and to whom you choose at prevailing market prices.

If you are Opposed to Government Monopoly and Compulsion

ACT QUICKLY BEFORE IT IS TOO LATE.

Write at once, or, better still, WIRE your Member of Parliament at Ottawa and your Provincial Representative in Regina, Edmonton or Winnipeg. State your strong objection to extending Government monopoly to oats and barley. Tell him you want freedom to choose between selling to the Wheat Board or on the free and open market, whichever is most profitable to you. Get neighbours who agree with your views to do it. The more protests received, the better. This may be your last opportunity to help yourself and keep politics out of your grain, but you must ACT QUICKLY—OTHERWISE YOUR PROTEST WILL BE TOO LATE.

WRITE FOR THIS FREE PAMPHLET

We have published a pamphlet "Just a Minute with the Grain Exchange". It shows what CONTROL OF WHEAT has cost Western farmers, and will indicate what can happen to control of oats and barley. Fill out and mail the coupon below and a copy will be sent BY RETURN, POSTPAID.

The Winnipeg Grain Exchange, Winnipeg, Manitoba.

Please send me your pamphlet "Just a Minute with The Grain Exchange". I, myself, may have some questions to ask you.

FULL ADDRESS (please print) _____

GREENSHIELDS

We are glad Mrs. S. Rajotte was able to leave hospital last Thursday and spend Easter at home.

Thursday afternoon Miss M. Spak left for her home at Vegreville where she will holiday with her parents.

The school children appear to be enjoying the holidays. A number of

boys were seen skating merrily on a pond on afternoon.

Miss Doris White is going to Wotaskin Tuesday to spend a few days with her sister and brother-in-law, Mr. and Mrs. Bill Hughes.

Mr. and Mrs. J. Bishop entertained friends at a dinner party recently.

Mrs. A. C. Hutchinson is spending a few days in Edmonton with relatives.

Mr. Paul Lundberg is home after working in the woods for some time.

GILT EDGE

The school children are enjoying their Easter vacation from school this week.

Mr. Raymond Garneau and Mr. E. Fay were dinner guests at the home of Mr. and Mrs. A. Vague on Sunday.

Mr. and Mrs. Frank McClelland and Mr. and Mrs. Lorne McClelland and families motored over from Lloydminster to spend the week-end with relatives.

Old Mr. Winter has taught the residents of this district that horses are still indispensable for travel, the roads are still impassable for cars in many places.

There were several family gatherings at the various homes in the district to mark the Easter holiday.

Mrs. G. Orzech and baby daughter arrived home from the hospital on Saturday.

Little Miss Eleanor Plaxton is spending the Easter holiday with her uncle and aunt, Mr. and Mrs. Clifford Fletcher.

Messrs. Jack and Bill McClelland left the first of the week for Lloydminster where they will be employed on the oil wells for a time.

Several in the district have been ill with the flu recently.

Mr. and Mrs. H. Craig and family motored from Edmonton on Saturday to take up residence at the Park Corner—in preparation for the completion of the new store.

Mr. A. J. Muddle has postponed his Auction Sale which was to have been held this Wednesday March 31, to the following Wednesday April 7th. Owing to the almost impassable road conditions.

FABYAN

Jim Barrett Jr. is in Edmonton this week for a medical check prior to rejoining the army.

Mr. and Mrs. Andy Ploker and Mr. and Mrs. Joe Ploker visited last Friday with Mr. and Mrs. Steve Ploker in Irma.

Last week Miss Ethel Stewart visited at the home of her cousins Mr. and Mrs. Ray Friday and on Sunday motored with them to Ely to visit relatives. They were accompanied home by their two cousins Norman and James Graffias who will visit with them for a few days.

Dave Holt is in Edmonton where he is finishing a course in welding.

Mr. and Mrs. Arnold Fraser had as their guests over the week-end, Arnold's parents, Mr. and Mrs. Fraser of Langdon, also his brother and sister-in-law, Mr. and Mrs. Danny Fraser of Turner Valley and Mrs. Fraser's sister, Mrs. Taggart and daughter of Orion, Alberta.

Mrs. E. Panushyn and baby daughter left for their home in Blairmore on Friday. They were accompanied as far as Edmonton by Mrs. Panushyn's mother Mrs. P. Voros who returned home on Monday.

Messrs. Ray and Andy Ploker left by train Friday to visit with their brother Steve Ploker at Irma, also friends Murray and Allen Rae.

Misses Delores and Joan Bodner left on Friday to spend the Easter vacation with their aunt in Edmonton.

Mrs. Keuffer arrived here at the week-end from Gahalah to attend her daughter's wedding which took place on Monday.

Mr. and Mrs. Andy Ploker and Mr. and Mrs. Joe Ploker visited on Sunday at the home of Mr. and Mrs. Mike Czapark of Irma.

Mr. Victor Smith is spending the Easter holidays at the home of Mr. and Mrs. Geo. Maddar.

Congratulations are extended to Mr. and Mrs. Elgar Johnson who were married in Wainwright on Monday, March 29th.

Radio Actresses

Acting the role of anybody from a brazen Cockney barmaid to a haughty French countess is all in the day's work of Kathleen Kidd, radio actress. Her versatile voice is heard in the series "These English" on Fridays at 8:30 p.m. MST, on the CBC Trans-Canada network, as well as in "Stage 48", "Cockney Clock House" and many other CBC programs. Miss Kidd was born in London, England, and before coming to Canada in 1937 acted in numerous English musical comedies. On this continent she has appeared in Toronto, Winnipeg, Boston and New York stock companies, in Hollywood films, and during the war toured Allied camps in the Pacific region as an entertainer with ENSA.

Photo—Trans-Canada Air Lines

HELLO, CANADA—A vivacious, smiling greeting is waved by Canada's favorite daughter, Barbara Ann Scott, as she stepped from a Trans-Canada Air Lines' North Star recently at Montreal Airport on her triumphant return from Europe. After a day in Montreal, Barbara Ann continued on her way home to Ottawa, where she was tendered a magnificent reception. Tokens of the honors Barbara Ann won when she captured the European, World and Olympic Women's Figure Skating crowns are shown in the upper photo. The medals went on display in an Ottawa store window. Impossible to display, however, was the homage paid the pretty young miss by the people of Canada to whose country she brought such great honor. While the great majority of Canadians were unable to witness personally Barbara Ann's great victories, they will be able to watch her demonstrate how she did it tour of various Canadian cities in the near future. Barbara Ann will also compete in the Dominion championships to be held at Calgary in April.

HEATH

The congregation of St. Patrick's Church held a surprise party at the home of Mr. and Mrs. D. Pye in their honor last Tuesday evening, prior to their departure to make their home at Irma. After lunch was served in the evening a presentation was made by the vicar Rev. Elway and

Time Out For Laughs

"Think I will have a sardine sandwich," said Mr. Ekhammer to the waiter.

"Domestic or imported?" asked the waiter.

"What's the difference?" said Ekhammer.

"Only that the domestic one costs a quarter and the imported one costs thirty-five cents."

"You bring me the domestic one," said Mr. Ekhammer.

"I'll be darned if I am going to pay boat fare to America for any sardine."

Cynthia: "How is your husband?"

Dorothy: "I haven't seen him for five years. I must have said something to annoy him."

Overhauling Magnetos a specialty

Exchange your old Magneto for a new one. Liberal trade-in allowance.

Mr. Dodd shook his head wonderingly, "Just look at this suit I am wearing," he observed. "The wool was grown in Australia, the cloth was woven in New England, and the thread comes from India. The suit was made in Baltimore and I bought it in Buenos Aires."

"What's so remarkable about that?" asked his wife.

"Isn't it wonderful," mused Dodd, ignoring the interruption, "that so many people can make a living out of something I haven't paid for?"

Travelling Service Garage Phone 72 Wainwright Chas. Macchell, Prop.

Mrs. T. Withnell when they expressed our regret in losing such faithful church members as well as wishing them much success in the future.

Muriel Bouck, Mylanwy Jones, Frances and Norma Patterson and Richard Rajotte who are attending high school in Wainwright are enjoying their Easter vacation at their respective homes.

Confie and Joanne Dahl and Jimmy and Raymond Mitten of Edmonton arrived on Friday to spend the Easter vacation with their uncle and aunt Mr. and Mrs. R. Dahl.

Congratulations to Mr. and Mrs. Reg. Wiley on the birth of a daughter last Monday, March 22nd.

Mr. J. Bartlett Sr., was taken to the Wainwright municipal hospital on Saturday. Mrs. Bartlett accompanied him and is staying in Wainwright till he is on his way to recovery.

McCaferly & Browning

Snow covered roads prevent much travelling these days.

The great event at McCaferly were the plays staged on Wednesday evening, "The Dummy Play" and "The Mad Breakfast" were much enjoyed by a good crowd, some coming even as far as from Edmonton. The chairman Bert Wilkinson was very good. A dance took place afterwards.

Joe Nelson, Isabel Tangen, Peggy McPeak and Harry Alwood are home from Wainwright and Bill Jackson is taking Easter holidays from his supervisory duties.

Shelia (Rice) and her husband Ernie Yendall are visiting Mr. and Mrs. Rice of Browning.

Bert and Mrs. Wilkinson of McCaferly School are away visiting for the week-end.

Henry Spencer was in Edmonton during the week, where he attended a meeting of the Board of Teacher Education and Certification as the representative of the A.S.T.A.

Prisoner: "There goes my hat. Shall I run after it?"

P.C. Casey: "And not come back! No, you stay here and I'll run after the hat!"

Mr. Bill Horn of the Star staff left on Thursday of last week for a month's training under the Alberta Apprenticeship Board at the C.V.T. School in Red Deer.

Mr. and Mrs. W. V. Elliott and son Bobby of Edmonton were week-end guests at the home of Mrs. Elliott's parents, Mr. and Mrs. W. T. Lane.

Among those going to Edmonton for the long week-end were Messrs. J. Knoll, Chas. Thurber and H. A. Koch.

Need Not Fill Out Net Worth

Hon. J. J. McCann, Min. of National Revenue has announced that farmers who report taxable income on cash basis will NOT be required to fill out the Net Worth Statement on 1947 Farm Income tax. Farmers reporting on an accrual basis for tax purposes will have to complete appropriate parts of the Net Worth statement or to submit statement of assets and liabilities as heretofore.

This concession is to some extent what western farmers have been fighting for in recent weeks.

CANADA RESUMES PUREBRED CATTLE SHIPMENTS TO ORIENT

Marking the first private shipment of purebreds to the Orient since 1939, an order has been placed for 106 head of Canadian dairy cattle for Hong Kong. The livestock being purchased in this country consist of Ayrshires, Holstein Friesians and Jerseys, and the order was obtained in the face of strong competition from other countries. Authorities in Hong Kong have sponsored the purchase in order to maintain the supply of fresh milk during the coming summer.

Tenders Invited

Tenders will be received by the undersigned until noon Wednesday, April 21, 1948, to provide school bus service for two routes, one operating in the Wainwright area and one in the Chauvin area. Particulars may be had by writing or calling in person at the School Division Office.

OLIVER G. GRIFFITHS, Secretary-Treasurer
Wainwright School Division No. 32
14-4

Tenders Invited

Tenders will be received by the undersigned until noon Wednesday, April 21, 1948, for prices on School Buses of 36 pupil capacity, same to be operative in the Wainwright School Division. School buses must conform to all regulations as specified by the Highway Traffic Board of the province of Alberta.

OLIVER G. GRIFFITHS, Secretary-Treasurer
Wainwright School Division No. 32
14-4

Meet Gisele

If it's a romantic ballad, folk ditty, or calypso song in English or French, Gisele Le Fleche, sings it. She's the young Canadian chanteuse whose light-hearted singing to her own piano accompaniment is broadcast Saturdays on "Meet Gisele" at 5:00 p.m. MST, from stations of the CBC Trans-Canada network. Gisele is not only a talented vocalist and pianist but a concert violinist as well. She comes from a musical Winnipeg family, took voice and instrumental training at the Royal Conservatory of Music of Toronto.

Drama Series

Radio actor-writer, Bernard Braden, author of the series, These English, now being broadcast over the CBC Trans-Canada network on Fridays at 8:30 p.m. MST. Purpose of the program is to present a picture of post-war Britain. Mr. Braden collected the material for this series during a trip to Britain.

BRITAIN BUYS FOODSTUFFS FROM ARGENTINA

Under the "Andes Agreement" signed recently at Buenos Aires, Argentina has undertaken to supply the United Kingdom during the present year with 400,000 tons of meat, 1,200,000 tons of coarse grain, and 140,000 tons of oats and clover, much of which will be oil seed and oilcake for feeding cattle. This is undoubtedly one of the most important food agreements concluded by Britain for some time. Purchases will be made through the Ministry of Food, and Argentina will sell her products through the Argentine Institute for Promotion of Trade.

Mrs. F. E. McLeod went to Edmonton on Saturday to spend the holiday with her son Lionel and other relatives there.

N.H.A. DESIGN-OF-THE-MONTH

An attractive five-room house with a pleasing exterior and efficient plan this one-story "N.H.A. Design-of-the-Month" selection is suitable for construction anywhere in Canada. A modern two-bedroom house, it was designed primarily for a wide inside lot but could be built on a corner lot without alteration.

The house could also be built on a narrow property providing the plan was rotated so that the dining and living rooms were towards the front of the house and the entrance at the side. This would necessitate re-location of the fireplace and living, dining and bedroom windows.

The entrance hall, which provides direct access to most rooms, may also be altered to provide a vestibule or to completely enclose the bedroom portion by the addition of doors to divide the hall into two or three separate areas.

The living room is reasonably large and features a fireplace with flanking bookcases. The dining space is planned for a modern dining suite while the kitchen is efficiently designed to reduce work to a minimum. Direct access to the rear yard and basement simplifies supervision of children's activities.

The bedrooms are provided with ample clothes closet space while large unbroken wall areas facilitate the placing of required furniture. Conveniently located between the bedrooms, the bathroom is of a generous size. Good-sized linen and coat closets greatly enhance the facilities of the house.

The exterior finish of the main body of the house in the photograph is cedar grain asbestos shingles applied over wood framing. Wood siding is applied vertically on the gable ends. However, other types of exterior finish could be used if desired. The exterior dimensions would have to be increased approximately one foot if brick veneer or solid masonry construction is proposed. The floor area, for estimating purposes, is about 900 square feet.

Complete construction drawings for this plan, known as Design No. 47-9, are available from Central Mortgage and Housing Corporation at minimum cost.

To Spend \$2,255,000
On District Roads

More than \$2,255,000 will be spent by the provincial government on district and local roads this year, according to information received by officials of the Alberta Motor Association.

The total is made up of \$1,000,000 for maintenance which is an increase of \$1,000,000 over the 1947 appropriation.

In addition there is \$1,255,000 for new construction of district highways, which is an increase over the previous year's allocation.

Provincial government spokesmen also have pointed out that the rural areas will benefit from the heavy outlays being made on main highways this year. The large tourist traffic to be attracted over these highways means that greater revenue will be obtained by the province and this in turn should mean larger road grants to the municipal districts.

Including a vote of \$913,000 for bridges this year, rural sections of Alberta will see a total highway expenditure of close to \$3,000,000. The 1948 provincial budget includes \$500,000 for new bridges and \$413,000 for bridge maintenance.

\$1,000,000 Food Shipment
Completed by Red Cross

Completion of the Red Cross shipments of \$1,000,000 worth of bulk food for the hungry peoples of Great Britain and Europe was announced today by Dr. F. W. Routley, national commissioner for the Canadian Society.

"Nearly four million pounds of food have crossed the ocean within the last four months," Dr. Routley said. "While concentrating on the peace-time needs for the health and welfare of our own people in Canada with our national campaign for \$3,000,000 this month, we cannot ignore the terrible suffering and great need of our fellow-beings in other lands."

Advice received from the overseas commissioner, Col. R. W. Frost, in London, reveals that letters by the hundred are pouring into the overseas office thanking the Canadian Society for their kindness in sending food. Meat and meat preparations, corn syrup, fruit juices, dried milk powder, grain foods such as macaroni, rolled oats and corn and bran flakes, as well as large consignments of vitamin preparations, were the main foods requested.

The million dollar gift, made last October, was allocated from the surplus war funds of the Society. Shipments were consigned for distribution to the Canadian Red Cross representative in Britain, and in Europe, to the Red Cross Societies of the respective countries concerned. All goods were labelled "Gift from the People of Canada through the Canadian Red Cross Society."

JUST WHAT THE DOCTOR ORDERED

Listener response to CUCRA's daily series titled "Voice of Radio" is mounting daily. Out of the scores of opinions expressed by listeners to date, there are three underlying thoughts on which nearly all seem to agree.

(1) That the "Voice of Radio" is giving them information on radio they never before had occasion to get.
(2) That CUCRA is their favorite station.
(3) That they are rapidly becoming more appreciative of radio, by gradually getting to know more about it.

"The Voice," in his very chatty manner, tells listeners something of what radio means to them—how radio came to be—why it is indispensable—what some of its local and national problems are—and who and what makes radio "tick."

Some of the topics discussed to date are restrictions and regulations; listener reactions; why commercials; a program is born; CBC relationship; your \$2.50 license fee; community service; programming; surveys and famous facts.

It's fascinating. It's informative. It's terrific. It's just what the doctor ordered.

A. M. A. Branch Fights
Parking Meter Scheme

First move to install parking meters in an Alberta city is meeting with strong objections by the Alberta Motor Association and other organizations.

The proposal has been made in Edmonton where its adoption was recommended to the city council by the utilities committee which suggested that it should be tried for one year as an experiment.

The Edmonton branch of the A.M.A. has lodged vigorous objections claiming for one thing that the meters will cost \$100,000 over the 1947 appropriation of motorists. It says the motorists are heavily taxed already

and such an impact would only add to their burden.
Furthermore, the A.M.A. branch contends that the meters would not solve the parking problem as enforcement costs still would be necessary. In the U.S. it has been found that rum running and other illegal parking meters in cities. Some cities found that meters drove rural trade to centres which did not have them. The Edmonton city council has postponed a decision on the question.

In the Legislature

This last week saw the adoption of the Budget after several lengthy debates. This will be the largest budget of this Province, with a total estimated revenue from Income Account of over \$46 million, and from Capital Account over 1 1/2 million. Expenditures estimated on Income Account nearly \$64 million and on Capital Account an expenditure of over \$18 million. This means that it estimates work out as suggested, there will have to be taken from reserves of past years over \$6 million. There will be very substantial increases in expenditures for Education, Health, Public Welfare, Public Work and Agriculture.

This year we will see the start of a new T.B. Sanatorium in Edmonton, considerable expansion of our Mental Hospitals, Agricultural Schools and expansion of old age and health services.

The past week saw a very heated debate on the new Personal Income Tax form. After a lengthy debate by Mr. Llesemer, C.C.F., Mr. Sayer, S.C. Mr. Gilliland, S.C., and Mr. Hammel, S.C., an amendment was passed unanimously requesting the Federal authorities to enable the farmers to use either the Cash Income statement or the Net Worth statement, whichever ever one was desired. This, we now understand, is being considered by Ottawa.

A Committee has been set up by the Legislature consisting of the Hon. Mr. Hooper, Mr. McDonald, Ind., Calgary, and Mr. Hammel S.C. Didsbury, to inquire into the advisability or otherwise, of the Government providing Automobile Insurance. This gives the Committee the right to investigate any and all Automobile and Liability Insurance in any part of Canada or elsewhere, such investigation to be reported at the next Session.

A bill was introduced this week enabling the Veterans of the Northern Land Clearing Project to obtain credit when unable to do so themselves in the first year that such lease is in possession of the land, and for the second year in the event that the crop is a failure the first year. The money owing for such lease shall be paid in cash or by a share of the crop. This bill must receive final assent from the Legislature, but in all probability will pass without any opposition.

As the Legislature will end this week, this will be the last report for this session. I wish to take this opportunity of thanking the Editor of your paper for publishing these reports, and hope they have been of interest to the readers.

CONTINUATION OF
CASH vs CREDIT DEBATED
AT CO-OP ANNUAL MEETING
Continued from Page 1

A motion was introduced to change the bylaws of the association, which read: "It is resolved that all members of the Wainwright and District Co-op Association Ltd., shall be required

© 1995, 1996, 1997 by Dave Coverly. All Rights Reserved. "Duke" is a registered trademark of the Fox Broadcasting Company.

It is a good plan to go over the new seed catalogue carefully and note some of these improvements. Even for the colder parts of Canada it is now possible to get varieties of early corn, tomatoes, melons and such things as were formerly impossible. The plant breeders have made this possible by selecting very early maturing types and breeding from these. Certainly this point should be considered in making up the list of purchases. And it is also well to add something that, so far as the reader is concerned, is new. There is one that is recommended for his locality.

This may be broad beans, or a watermelon, or broccoli, table turnips, white radish, borecole, Brussels sprouts, Swiss chard, chinese cabbage, hybrid corn, endive or some of the others. These will be new to him entirely new, though certain varieties of them are, but too few of any of them are to be found in the average garden. The beginner is advised to give a few of them a trial each year. He may well find that the family will like them and he has made a discovery that will add interest and variety to his vegetable plot.

Garden Tools

If necessary all the tools needed in a small garden will be a rake, a hoe and a spade or digging fork. These are the essential requisites. With a little more equipment much labor can be saved. Digging forks, cultivation

For larger gardens a small garden tractor that will cultivate, plow, cut the grass and do other jobs might be considered. These are now coming on the market faster. These are not expensive and are very cheaply operated. A quart of gas will operate them for several hours. A wheel selection is also available. It should be noted that a sharp tool will speed the work.

A Cutting Garden

Often a corner of the vegetable garden or some place at the back of the yard is set aside for a flower garden, especially for indoor bouquets. Sometimes when a large supply of blooms are wanted for this purpose it leaves the regular borders a bit shy. Any of these flowers suitable for cutting purposes are good. The following is a sort of cultivation, etc., that the vegetables get. Certain flowers, indeed like gladioli, sweet peas and others of which the foliage is not very attractive, are best grown under these conditions.

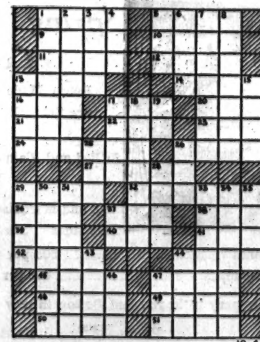

Low rail fares are being offered to visitors to the annual spring stock show to be held in Edmonton* from April 6 to 8, according to M. J. Dupuis, district passenger agent for the Canadian National Railway.

The special rate of one way fares and one third for the round trip will be good from all stations in Alberta. Tickets will be on sale from April 5 to 7. The April 8 train travels to 7 p.m. and later than 4 p.m.

Returning tickets will be good to leave Edmonton up to midnight of April 9. If there is no train service on April 9, tickets will be honored on the first available train.

NOTICE

IN THE MATTER OF THE ES-

TATE OF GEORGE SMITH, LATE

OF WAINWRIGHT, IN THE PROV-

INCE OF ALBERTA, Farmer, DE-

CESSED.

NOTICE is hereby given that all

persons having claims upon the es-

tate of the above named George

Smith, who died on the 22nd day of

January, 1948, are required to file

with the undersigned by the 3rd day

of May, A.D. 1948, a full statement

fully verified of their claims and of

any securities held by them, and that

after that date the executors will dis-

tribute the assets of the deceased

among the parties entitled thereto

having regard only to the claims of

which notice has been so filed or

which have been brought to their

knowledge.

DATED this 16th day of March,

A.D. 1948.
